ENGINEERING DEPARTMENT.

TUMKUR DIVISION.

Abstract Notification dated 18th July 1924.

The attention of the public is invited to the detailed notification dated 18th July 1924, calling for tender to take up the contract for excavating a new deviation channel from the left sluice of Veerasagara Tank, Registered No. 126 of Gubbi Taluk, published in page 482 to 483, Part VI, of the *Mysore Gazette* dated 24th July 1924.

N. NEELAKANTAPPA,
For *Executive Engineer.*

GOVERNMENT OF MYSORE ELECTRICAL DEPARTMENT.

Notice dated 21st July 1924.

Notice is hereby given that sealed tenders will be received at the office of the General Superintendent, Cauvery Power Scheme, Sivasamudram, up to 31st August 1924, for constructing a Silt Reservoir at Sivasamudram. The tenders will be opened in public at 2 P.M., on Sunday the 31st August 1924. The time required to complete the work and monthly progress should be indicated as these will be some of the chief factors in the award of tenders. The work should be completed within six months from the date of acceptance of the tender.

2. The plans, detailed estimate and conditions may be obtained at the Chief Electrical Engineer's Office, Bangalore, between the hours of 11 A.M. and 5 P.M. on all working days or at the office of the General Superintendent, Sivasamudram between 8 A.M. and 4 P.M. on all working days.

3. Tenders should be submitted on printed form which may be obtained from the office of the Chief Electrical Engineer or the General Superintendent, Sivasamudram. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory notes, as earnest money and be superscribed "Tender for constructing a Silt Reservoir at Sivasamudram," in default of which, tenders will be rejected.

5. Final acceptance of any tender will rest with the Chief Electrical Engineer who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of successful tenderer will be posted on the Notice Board in the Chief Electrical Engineer's Office and the General Superintendent's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. The construction work should be started within one month from the date of notification of the acceptance and completed within six months from the same.

10. Any other conditions that the contractor may wish to state should also be included in his tender.

11. Specification for surki mortar is 1 of sand and 1 surki and 1 lime. Specifications for work is the same as those contained in the Public Works General No. 14 and Public Works Department Tank Manual, latest edition.

12. If the contractor is willing, mortar will be ground in the Cauvery Power Scheme power mills at Sivasamudram, materials being supplied by the contractor. The cost of power, grinding, haulage of mortar from mills to the workspot being borne by the contractor.
